

## **FEBRUARY RIPPA RUGBY LESSONS AKO 1 & AKO 2**

Both classes are fortunate to be receiving rugby and ball skill lessons from the Counties Manukau Rugby Football Union (CMRFU) in February.

The sessions are a fantastic opportunity for our students and are taught in a progression of skills. There is no charge for this experience. Skills gained will be invaluable across a wide range of sports. Ako 2's lessons are in school time on the following dates:

- *Monday 4<sup>th</sup> February*
- *Tuesday 5<sup>th</sup> February*
- *Monday 11<sup>th</sup> February*

The CMRFU require each student to have a registration form signed by each parent/caregiver. Although the sessions will be far from dangerous (all non-contact), this form ensures students are covered under the NZR indemnity insurance scheme. Additionally, the lessons the Counties Coaches give are offered for free and the completed forms are an important part of how they get funded to offer us the lessons.

Could you please complete, sign and return the form to school ASAP.
